### ***NEW BEGINNINGS MAKEOVER CONTEST UPDATE...***

Now that we have selected our winner we would like to fill you in on what's been happening. Vicki was so excited to get the call that she had been picked as our winner; she started crying on the phone with Cheryl. Vicki has gone through an emotional time in her life recently. Struggling with Multiple Sclerosis and Fibromyalgia, along with losing two people very close to her. She lost her mom in April '09 and just 6 months later her best friend passed away unexpectedly at age 47. Being an only child, Vicki took on the responsibility of caretaker for her mom, when she got sick. Having her mom live with her and her husband. She gave all of herself 24/7. "The heartache, trauma and anxiety I feel has changed me forever. My mirror reminds me of it all...every single day."

So far Vicki has had her before picture taken, with Paul Scharff, from Paul Scharff Photography. Then a Chemical peel, Laser Treatments and fillers, she was puffy and bruised after her first visit with Dr. El Attar, as to be expected, but is healing beautifully. She has also been to Dr. Buzzanco's office to make the molds for her teeth whitening trays. We have consulted about the changes we would like to make to Vicki's hair and have her appointments all set up. She has also been to the salon for a relaxing massage and to try on a few outfits we selected for her. Stay tuned for more updates and mark your Calendar for the Big Reveal, Sunday July 25, 2010

We also selected several runners up for our contest because there were so many moving stories. Amy Paradise is a young, married, mother of seven-year-old twin boys and a two-time (in three years) breast cancer survivor. With all that on her plate, Amy is still smiling! "I am blessed to be alive and I LOVE life!" She wants to share her story to let others know that you are never ever too young for breast cancer. So if you ever have a doubt about something you feel in your breast, get it checked out! Amy has been in to Sebastian's for a Hydrating Facial and got some Funky Blue highlights, oh did we forget to mention that she is also in a Rock Band, lol!

You will be able to meet Vicki and Amy at the Reveal Party!! Hope to see you there!

As for the other runners up, now was not a good time for them, but we told them that when things slow down for them, we would love for them to come and relax in the Spa at Sebastian's. They will each receive a massage and facial.
